G. Kage-aka vol.1

Mika's everyday life has greatly changed ever since Sasorinika, her classmate at college, appeared. At first, Sasorinika frightens Mika with her stalker-like actions, but as they spend more time together, Mika starts to sympathize with her. At some point during all this, Takada's middle-school class reunion was held. During this event, Mika witnesses a battle between Sasorinika and her nemesis, An Aburaku. Sasorinika's grand act moves Mika to much admiration. From then on, Sasorinika often comes over to Mika's house to play, but one day, Mika's cousin's girlfriend, Aki, told Sasorinika to "lose 10 pounds!" This fuels some motivation into Sasorinika, so she starts going to a fitness center, where she meets and falls in love at first sight with her personal trainer Koshikawa, but...!!
